

Be relaxed and carefree with the Diane Kimono Dress!

This super comfortable design is as easy to make as it is to wear. Design features include an overlapped bodice, Dolman sleeves, drawstring waist, and options to make a slim or full skirt with or without tiers in four different lengths. Bodice variations include plain or ruched shoulder seams. This dress slips over the head, so no need to worry about zippers! This is the must have design for the summer!

See inside for more color photos of variations!
