

**The Isabella Dress is a tribute to vintage style! This design is a creative twist on the classic shirtdress. Choose from a short or elbow length sleeve, sweetheart or V-shaped neckline to express your unique style.**

**Design elements include a raised waistline that has a gentle curve along the front and back, accented with a contrast flange or tiny piping.**

**The front and back bodices are gathered for an easy fit and the princess seamed skirt lends a fitted yet flattering silhouette.**

**Three lengths are offered for this design: tunic, knee, or below knee. Choose your favorite elements to make a one of a kind dress you will love wearing!**

**See inside for more color photos of variations**
