

The Willow Tunic is a terrific silhouette for all seasons!

This easy to sew design features self lined yokes and princess seams with a side zipper for a flattering and comfortable fit.

Change up the look with your choice of cap or three quarter length sleeves and contrasting fabrics. Variations include bias cut fabric for side front and back as well as contrasting yokes, hem, and sleeve bands. You can even get adventurous and make a hand embroidered version!

This tunic looks great as a dress or a tunic with skinny jeans or leggings.
