

The Ava Sundress is the perfect dress for summer! Design features include a flattering A-line skirt, high sweetheart necklines on the front & back yokes, bustline & waistline darts, & a center back zipper.

Variations include omitting the front waistline darts, using contrast fabric for the yokes and hemband or ruffle, and three skirt lengths: knee, mid-calf, or maxi.

This design is well suited for using border print fabrics, so be sure to consider all options when selecting fabrics. Rayon is a wonderful choice for this dress. It is a dream to wear!
