

By popular demand, Bijou is back and better than ever! All bags feature a padded exterior zippered pocket that is perfect for carrying tablet computers or eReaders. A large exterior patch pocket graces the other side of the bag for small items as well as a zippered pocket on the interior. All of these bags are perfect for travel and fit nicely into small spaces like the area under the seat on an airplane. These roomy bags are the perfect solution to your travel needs. Make your very own set today!
