

See inside for more color photos of variations and bag sizes

Carry your goodies in style with the Camilla Insulated Bag. Offered in 5 sizes, this bag is super versatile as a regular handbag or tote made from quilting cotton or home decorating weight fabrics. Make it with insulated batting and some pretty laminate fabrics and it becomes a wonderful carry along for a snack, lunch, a lazy picnic, or a quick run to the grocery store as it keeps your food nice and cool. Two closure options are offered: Velcro or a magnetic snap.
