

Carry all your necessities at ease with the **Cheyenne Rope Bag!** You will love the way this bag lies comfortably against your back or over one shoulder and you'll love it even more for its innovative construction. This bag is composed of only **TWO** main pattern pieces!

Features include a wide adjustable shoulder strap, side zipper opening, exterior flap pocket, and a handy exterior phone pocket on the back side of the bag for easy access.

Constructed using a foam stabilizer, this bag makes for easy sewing.

Choose bold fabrics for a big statement or something more subtle for everyday use.
