

Strike a pose and make an impression with the Corinne Caftan! This design features a deep center front and back yoke with princess seaming, front waistband inset, and a side zipper for a comfortable yet flattering fit.

Choose the tunic length and pair it up with a great pair of leggings or skinny jeans or the dress length and a stunning pair of boots.

Details include an optional tie belt and contrast for the front yoke as well as contrasting yoke trim.

This design works well with border prints, so be sure to consider them when choosing fabric.
