

The Dakota Duster is a fantastic unlined lightweight jacket packed with style!

Princess seaming creates a lovely silhouette...perfect with a dress, pants, leggings, or whatever your heart desires.

Design options include: mandarin or folded collar, front in-seam pockets, scalloped back yoke, ruffle edges or contrast for sleeves, center back button tab, silk ribbon embroidery, decorative appliqué, or center back tiered ruffles. The combinations are endless!

Jackets on the front and back covers are photographed with our Rhiannon Shirt pattern.

See inside for more color photos of variations
