Ah, Juliet! One of our most popular designs is back and better than ever, with an all new fit and combinations for even more variations.

Design details include a fitted sleeveless bodice with a scoop neckline, gathered bustline, empire waist, and A-line skirt. There are 4 different lengths offered so you can make this design to suit your fancy. Variations include 3 different tie belts, tiered skirt (with or without contrasting fabric between), and a ruffle or hemband at the lower edge.

Wear Juliet Nouveau with slim pants or a skirt, leggings, boots, or pretty sandals. Don't forget your scarf for the perfect French touch! This design also works well as a layering piece with jackets and cardigans, making it perfect for year round wear.
