

Look stylish and be comfortable in the easy to sew Kaylee Tunic. This is a pull-over design, so no need to worry about a zipper! The waist features an option of using elastic or a drawstring.

Variations include using contrasting fabrics for the yoke, waistband, and hembands as well as a high-low hem and a tiny ruffled edge.

The sleeves are three-quarter length and feature a slightly gathered cap and lower sleeve. Options are also detailed for adding a lace yoke or overlay for the lower skirt and sleeves.
