

The Nora Faux Wrap Dress is a pleasure to stitch and even more fun to wear! This pullover dress has no buttons, ties, or zippers to worry about.

The design features a darted bodice and an optional overlapping front with bias binding. The waistline is an easy elastic casing that is incorporated into the seam. The skirt is gently gathered to provide a flattering fit.

Design options include three different sleeves, an overlapped bias trimmed skirt or a plain skirt that can be hemmed with a wide ruffle or plain hemband.

This dress is lovely in a border print or border eyelet lace. It is also wonderful in rayon, cotton lawn, or quilting cotton.
