

The Torii Tunic is a fun and funky design that can be worn three different ways. The shortest length is great with jeans or leggings. The knee length looks great with strappy heels or boots, and the longest length makes one cool dress! Dolman sleeves make construction easy and are offered as 3/4 or full length, with or without contrast fabrics. The Empire waist and A-line skirt make for a flattering fit while remaining comfortable to wear. So grab up all those large scale prints and get busy!
